A salute to "TransAm" Racers

Please join with the Julian Classic Motoring Society and our Grand Marshall, Ms. Christi Edelbrock of Edelbrock Racing fame for a salute to the modified American sedans of the late 60's and early 70's that raced in the famous "TransAm Series" on tracks across the USA. This group included the Fords, Shelby & Mustang, Chevy Camaro, Plymouth Roadrunner, Mercury Cougar, AMC Javelin, Dodge Challenger, and the Studebaker Avanti.

Christi Edelbrock and her family have continued to keep the allure and history of "TransAm" Racing alive. She is a much respected competitor in "TransAm" races throughout the USA and her involvement in this event only enhances our tribute to this great era of American racing history.
